

Hello,

Thank you for your interest in volunteering at the Masonic Home! We are pleased that you would like to offer your time and talents to assist our residents and support our staff. We have many opportunities for our amazing volunteers to give back and help out!!

We have different procedures for teen and adults who wish to volunteer. If you have any questions or concerns about our selection process for potential volunteers, please contact me. We trust that you understand the necessity of careful screening.

Adults (18 & over):

Interview:

All adults come in for a brief interview, (30 to 45 minutes). Please read and complete the application online - www.masonichome.org → About Us → Volunteer with us / Volunteer application.

Please note that we are a fragrance free facility; please do not wear lotions, perfume or scented shampoos while on grounds.

Please call for an appointment 510-429-6486 or 510-429-6469. At this time we talk about your interests and availability. We also chat about the opportunities that are available. If all is agreeable we explain the fingerprinting process which we pay for, and T.B. Test, which is at your expense. We will take your picture at this time also. It usually takes 7 to 10 working days to get your fingerprints cleared. (Please note that this process sometimes takes longer. This process is not under our control but the Department of Justice). After your fingerprints clear, we will contact you to come in for a 2 ½ hour orientation.

Orientation:

You must bring all completed paperwork with you when you come for orientation. Please double check and make sure you have:

- *A copy of your clear T.B. Test (must be within the last 6 months)*

- *Fingerprint application (given at time of appointment)*
- *Copy of flu shot verification form (during flu season). Mask could be worn in place of injection.*

At orientation you will sign up for the areas and times to volunteer.

Teens:

Please complete the application online - www.masonichome.org → About Us → Volunteer Application

All candidates must have a clean recent TB Test (within the last 6 months). Please bring the doctor's note with you to the orientation. When ready, please call our office at (510)429-6486 or (510) 429-6469 to schedule an orientation

*A parent **MUST** accompany you for the 2 ½ hour orientation. Please do not bring siblings to your orientation.*

Please note that you must bring to orientation:

- *Your application filled out*
- *A copy of your clear T.B. Test (within the last 6 months)*
- *If you are driving to our facility, please print and complete 'The Vehicle Security Tag Permit Authorization*
- *Copy of flu shot verification form (during flu season). Mask could be worn in place of injection.*
- *And of course, a parent.*

All volunteers are required to volunteer a minimum of 40 hours per year; of course, you are welcome to do more hours if you wish.

Again, thank you for your interest...we look forward to hearing from you soon!

Sincerely,

Carlene Voss

Recreation Department – Skilled Nursing

Volunteers will be helping residents and staff at Lorber Skilled Nursing.

Please note *that the following duties may vary depending on the setting. The following is not inclusive of all the tasks that volunteers are asked to do.

***Please note that all volunteers must attend an additional 30 minutes orientation, be at least 16 years old and commit to 100 hours in Skilled Nursing.**

Volunteering in Lorber Skilled Nursing is a challenging and rewarding experience. The average age of our residents who make Lorber their home is 92. Our residents that we care for here are frail having multiple medical conditions and may or may not have dementia.

As a volunteer in our Recreation department, you will be able to engage with our residents on many different levels.

When reporting in, please sign into the volunteer binder at the 2nd Lorber nursing station after signing into the Volunteer Touch Screen. If you cannot locate the Recreation staff immediately on arrival, please inform the nursing staff who you are.

The Volunteer might assist with, but are not limited to:

- **Reading to residents**
- **Delivering newspapers to residents**
- **Music and Memory iPad**
- **Transporting residents to programs**
- **Visiting assigned residents on a 1:1 basis**
- **Helping the recreation leaders with the recreation programs**
- **Helping the staff in the office**
- **Assisting with calendars, decorating etc.**

The recreation staff will work with you, so you are familiar with the daily care of the resident and what assistance, if any, they may need in a group situation.

Dress Code: Regular dress code - See volunteer handbook

*Duties may vary depending on the setting. This is not inclusive of all the tasks that volunteers are asked to do.

Skilled Nursing

There are some great assets that you as a Volunteer can bring to our program.

- **Patience**
- **Ability to easily distract a resident who may be agitated or confused.**
- **Able to engage easily with residents who may have difficulty communicating their needs due to hearing, visual or speech impairments**
- **Able to “go with the flow” when a resident with dementia is talking with you**
- **Comfortable working with residents who are chronically ill**
- **Able to effectively follow directions from Recreation staff**

We look forward to working with you as part of our recreation service team.

Please be here when you have committed. If for some reason you will not be able to come, please let us know ***as soon as possible.***

Tips on Interacting With People with Dementia

Use Good Communication Skills *Make eye contact*

What to Do:

- Move slowly and calmly.
- Approach person from the front.
- Watch your mood and body language. It's contagious!!
- Use gestures and physically guide the person, when it helps to get the message across.
- Demonstrate what needs to be done. Act things out instead of giving instructions.
- Use gentle touch and genuine smile whenever you can.
- Watch and respond to the resident's body language.
- Use signs, written words and pictures to assist where possible.
- Try to be aware of the mood in the room, calm things down if you sense stress/chaos.
- Avoid overwhelming or asking too much at a time.
- Keep a list of favorite activities.
- Affirm and validate feelings, then redirect.

SOME "DON'TS" IN COMMUNICATING WITH A PERSON WITH DEMENTIA

- **Don't use pronouns, use given names.**
- **Don't give multiple choices, keep it simple**
- **Don't tell the person about a future event**

The goals in communicating with a person who has dementia are to be creative in your responses in order to protect the self esteem, to reduce anxiety (yours and theirs) and to convey to the person that you understand what she/he is feeling.

Our staff is happy to see you here on our unit. Please do not hesitate to ask any questions at all! Please be here when you have committed. If for some reason you are not able to come in, please let us know **as soon as possible**.

The Ole Flu Bug

Again this year we are requesting all staff and all volunteers (adult and teen) get an influenza vaccination. When you get your flu shot if you will drop by or mail me a copy of the proof, I will put it in your file. If you have already received a flu shot please fill out the bottom of this page and mail it back to us or bring it in for your file. (You can put it in the box on my door if I am not in)

For some reason if you are not able to get a flu shot, you might be asked to wear a mask when you volunteer during influenza season. (Influenza season can start as early as October and go as late as May).

This request is to protect our precious residents and hopefully stop the spread of any flu in our facility.

Your cooperation in helping us keep our residents/staff/volunteers healthy is greatly appreciated.

Questions - call Carlene at 510-429-6469
