This is only a summary. The summary of the MERP plan is part of the Summary of Benefits and Coverage (SBC) for the integrated group health plan under Kaiser. The latter is provided by your medical carrier. To know more about your medical carrier, you may get the complete terms of the policy or plan document by referring to their SBC for details and contact information. If you want more detailed information about your MERP coverage, you can go to www.nonstophealth.com, email us at clientsupport@nonstophealth.com or call us at 877-626-6057.

You have an employer-funded Medical Expense Reimbursement Plan (MERP). MERPs are intended to help pay for certain out-of-pocket medical expenses not covered by your group health plan. The MERP plan year is listed above as the "Coverage Period."

MERP benefit amounts will reset on **January 1, 2028** unless otherwise specified by your group health plan.

This employer-funded MERP plan covers certain out-of-pocket **In-Network** medical expenses and services (such as deductibles and coinsurance and copayments) even if you haven't yet met the deductible amount under the Kaiser Plan, up to the following available account balance amounts:

- **$5,500** for employee only.
- **$11,000** for employee plus spouse enrollments per year.
- **$11,000** for employee plus child(ren) enrollments per year.
- **$11,000** for employee plus family enrollments per year.
